APPRENTICESHIP FUNDING REFORMS

In May 2017 the way the government funds Apprenticeships in England is changing. Some employers will be required to contribute to a new Apprenticeship levy, and there will be changes to the funding for Apprenticeship training for all employers. The levy requires all employers operating in the UK, with a pay bill over £3 million each year, to invest in Apprenticeships. It will be paid at a rate of 0.5% of an employer's wage bill, and will be paid through Pay As You Earn (PAYE) from April 2017.

Here's 10 things you need to know about the Funding Reforms

1. If you have a wage bill in excess of £3million per annum you will need to pay the Levy
2. The levy will be charged at a rate of 0.5% of your annual pay bill
3. There is a £15,000 allowance
4. Your contribution will be held in a digital account
5. All funds will be topped up by 10% through a government contribution
6. You have 24 months to spend money in your digital account
7. If you don't pay the Levy the Government will pay 90% of the cost of an Apprenticeship, you must pay 10% cash contribution
8. If you are a small employer with under 50 staff, the Government will pay 100 % of the training costs for a 16-18 year old apprentice
9. Although this is designed as an employer led system, employers are required to pay the training provider 10% for the delivery of Apprenticeships
10. Employers who don't pay the levy will not be required to purchase Apprenticeships through a digital account until 2018.

Alliance Learning are hosting a 'May 2017 Apprenticeship Reform Funding Breakfast Event for SMEs'. This will be taking place at our Head Office in Horwich, Bolton, on Thursday 30th March 2017 from 7.30am – 9.00am, to help local businesses understand the changes to the current Apprenticeship system and how they may be affected. Places to the event are limited, to reserve a place telephone 01204 677871 or email chloe.ramsden@alliancelearning.com by Friday 17th March 2017.

What do I do now?

The current Apprenticeship system still stands until 1st May 2017 and government grants of £1500 are currently available for employers looking to recruit an apprentice until 31st July 2017 (subject to eligibility in Greater Manchester).

HEALTH & SAFETY!

In today's working environment, Health and Safety has become an escalating issue. It is vital that Health and Safety is understood and managed in a professional manner. No company wants to injure, maim or kill their workforce by putting employees at needless risk but the figures don't lie.

- 1.3 million workers suffering from a work-related illness (new or long standing in) 2015/16.
- 144 fatal injuries to workers in 2015/16.
- 30.4 million days lost due to work-related illness and non-fatal workplace injuries in 2015/16.
- 11,403 notices issued by enforcing bodies in 2015/16.
