SPOTLIGHT ON:

MENTAL HEALTH FIRST AID

MHFA England

Good mental health at work and good management go hand in hand and there is strong evidence that workplaces with high levels of mental wellbeing are more productive. Addressing wellbeing at work increases productivity by as much as 12%.

Course Overview

This course is for trainees who require Adult Mental Health First Aid. It provides the skills, knowledge and understanding of first aid for mental health and how to effectively support those experiencing distress.

This course aims to empower both individuals in the work place and communities to understand the signs and symptoms of mental health issues and how best to support themselves and those around them in recovery.

Why become a Mental Health First Aider?

As an MHFAider® you will be able to: Recognise those that may be experiencing poor mental health and provide them with first-level support and early intervention. Encourage a person to identify and access sources of professional help and other supports. Practise active listening and empathy.

Progression

Training as a Mental Health First Aider (MHFAider®) gives you three years of certification. Before expiry you can refresh your knowledge with a refresher course for continued certification.

Alliance Learning also offer the Mental Health Champion course, where you can gain an understanding of common mental health issues, knowledge and confidence to advocate for mental health awareness.

Course Duration

2 Days

Target Group

For trainees who require Adult Mental Health First Aid. It provides the skills, knowledge and understanding of first aid for mental health and how to effectively support those experiencing distress.

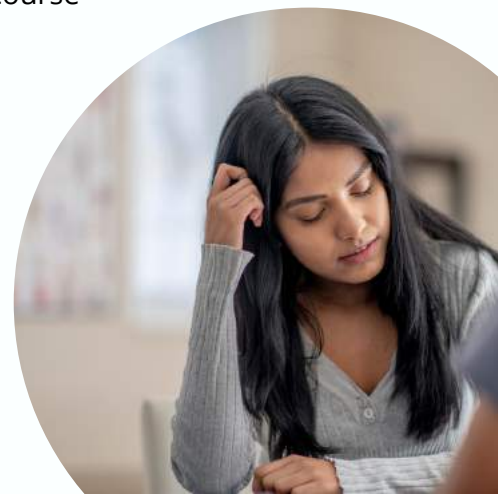

Assessment and Certification

Delegates must attend all training sessions and are assessed throughout. Upon completion, delegates will be a qualified Adult Mental Health First Aider (with the certificate issued by Mental Health First Aid (England)).

Course runs every month

7-8 Aug, 12-13 Sept,
9+10 Oct, 6+7 Nov,
5+6 Dec
