RECRUIT AN APPRENTICE WITH ALLIANCE LEARNING

What is an Apprenticeship?

An apprenticeship is a genuine job with an accompanying assessment and skills development programme. It is a way for individuals to earn while they learn gaining valuable skills and knowledge in a specific job role. The apprentice gains this through a wide mix of learning in the workplace, formal off-the-job training and the opportunity to practise new skills in a real work environment.

How will an Apprentice benefit your business?

Hiring an apprentice is a productive and effective way for any business to grow talent and develop a motivated, skilled and qualified workforce.

Employers who have an established apprenticeship programme reported that productivity in their workplace had improved by 76% whilst 75% reported that apprenticeships improved the quality of their product or service.

Other benefits that apprenticeships contribute towards include:

- **Increasing employee satisfaction**
- **Reducing staff turnover**
- **Reducing recruitment costs**

Apprenticeships we offer?

**Business Administration | Customer Service | Team Leading / Management
