SPOTLIGHT ON: APPRENTICESHIPS:

EARN UP TO £3,000 FOR EVERY APPRENTICE YOU HIRE!

Did you know the Government has recently announced a new incentive for employers that hire apprentices in the next six months?

How does this scheme work?

From August 2020 to January 2021, any company that hires a new apprentice aged between 16 to 24 will receive a £2,000 bonus from the Government, while those employers that hire new apprentices aged over 24 will be paid £1500.

These payments are in addition to the existing £1,000 incentive that is already in place when an apprentice aged 16 to 18 is employed. **This means employers could receive up to £3,000 for hiring an apprentice aged 16 to 18 from August to January!**

How can I access this scheme?

To access these Government incentives, your company must be signed up to the Apprenticeship Service, formerly the Digital Apprenticeship Service (DAS). You can find more information about the Apprenticeship Service at:

www.gov.uk/guidance/manage-apprenticeship-funds

Why take on an Apprentice with Alliance Learning?

We currently have over 100 Apprenticeship-ready applicants on our database right now, with over 50 leaving school this year. All of these applicants have been pre-interviewed, undertaken Maths and English assessments and received the relevant Information, Advice and Guidance to ensure they are Apprenticeship ready.

Here at Alliance Learning, we offer a FREE recruitment service where we will match the best candidate to your organisation. We can also up-skill any existing staff that you may have that wish to gain further qualifications through an Apprenticeship. Also if you are a non-levy paying company, 95% of the training costs are covered by the Government.

This is a scheme you don't want to miss out on.

Contact us today on 01204 677888 or email info@alliancelearning.com and help your business thrive during these uncertain times.
